The image is a composite. On the left, a close-up shows several hands of different skin tones gently cupping a bright red, glossy heart. On the right, a digital login interface is displayed. At the top, a light gray header bar contains the text 'Welcome to Our Project for Heart analysis Dashboard' and navigation links: 'Dashboard', 'Profile', 'Sign Up', and 'Sign In'. Below this is a white login card with a red header section that says 'Sign in' and features Facebook and Google icons. The main body of the card contains input fields for 'Email/PhoneNumber' and 'Password', a 'Remember me' toggle switch, and a red 'SIGN IN' button. At the bottom of the card, it says 'Don't have an account? Sign up'.
